「移動教室舞台裏」

field trip behind the scenes

wh..
why did
it turn
out
like this

.....

if they
find out
that I'm a
commoner

more
than
that

ahh
what
should
I do
what
should
I do

peek

BLAM!

yesterday's
nightmare
will
become
true....

impos-
sible
for
me!

I'll be
blame
soon

than
taking
for
note

ah
?

ah
?

delin-
quency
is

wait
a
minute
...

but if
they
actually
think
that I'm
the son
of a
yakuza
leader

isn't
that
unexp-
ectedly
favorable?

it doesn't
matter,
strong or
weak,
noone
will pick a
fight with
me, will
they?

*tremendous trouble
started assulting his soul*

because
of the
floor,
look!

it hurts
like crap!
the
continued
stabbing
is getting
to my
head!

we got
splinters
stabbing
our feet...

hogging
the tatami
mats all
to your-
self!

stand

aaa-
aah!
I can't
take it
any-
more!

!

it's dan-
gerous!

calm
down,
Do-
toro!

this
is kinda
big but
it should
do the
trick

!

uhh
.....

splinters
hurt even
if they're
small

...

th..
that
might
really
be
terrible

I'll take
those
splinters
out for
you

then
come
over
here

I'm just
trying to
be nice,
obviously!

wr-
ong
!

flinch x 2

oh no!
now
they're
expecting
a blood
bath from
me

we'll
see
blood

blo-
od

look at
that face
this is

d..
dang

clench

I
should
do that
usual
....

for now,
to ease
this
situation
down

my
kindness
is getting
misinter-
preted
again
.....

wh..
why
does it
always
end up
like
this!?

good,
I left
them at
moderate
flinch...

or are
you
saying
that
to my
old
man?

are you
saying
that to
me?

at a
distance
in the
public
parking
lot

kindly
kindly

next,
nicely...
kindly...

it's fine
so just
give me
your
foot!

it's not
out yet,
right?
you don't
have to
be so
reserving

where's
the
thorn?
I'll take
it out
for you

I'm So
Sorry

is
so it
came
out
already

SUPPOSED TO BE A KIND FACE

then
should I
take your
thorn out
instead,
Getsuto?

AH
:
?

hold
back

can't

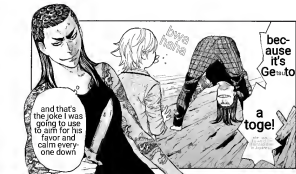

I
haven't
finished

ah
!

oi
oi

.....

and that's
the joke I was
going to use
to aim for his
favor and
calm every-
one down

bye
haha

bec-
ause
it's
Ge^{to} to

a
toge!

the Japanese
word for
thorn

wel-
come
her with
a smile

flinch

I got
ig-
nored
half-
way...

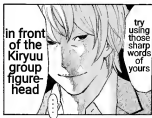

but before I could
use it or even dip up

oh no!
sensei
came!

Open

sorry
for
making
ye
wait

PLEASE
DON'T
ACTUALLY
DO IT,
PLEASE

.....

kah
kah
kah

also it
was the
route
with the
least
violence
!!

phew

|

with this,
Kiryuu
group's
status was
maintained,
wonderful
wonderful

must be
the work
of god's
invisible
hand
protecting
this Kiryuu
Rikio until
college
entrance

although
I've been
noticed by
the people
in the back,
the rain
of blood
never
showering
upon my
surround-
ings

if it's
like this
I'll become
hungry
even-
though
I'm still
growing

I can't
it's
impossible
for me,
something
like this

and
even for
someone
like me,
there's
a girl
that's
been on
my mind

I'm sorry x 24

ding dong

the one
in charge
of home
room,
Fukushima
sensei!

ding
dong

th...
that's

wh..
what
did she
come
to do?

if she finds
out that this
normal-
looking
3LDK house
that doesn't
feel even a
bit yakuza-
like

ding
dong

is my
house
